PROFESSIONAL EXPERIENCE

Team Leader — Web & Graphic Design

Verve Management DMCC | Dubai, UAE | August 2023 – Present

- Lead a team of designers and developers delivering web and graphic design projects for major global brands including Oracle, Emerson, Google Cloud, Coursera, and Algonomy.
- Developed and deployed AI automation workflows to streamline content production, reducing manual effort and accelerating project delivery timelines.
- Integrated AI-powered tools and LLM-based solutions into design and development pipelines to enhance productivity and output quality.
- Managed end-to-end website builds for 10+ high-profile MENA summits and awards events, including ME ProcureTech 2024, Middle East WealthTech Forum 2024, and CX & Loyalty Summit MENA 2023.
- Ensured all digital deliverables met brand standards, accessibility requirements, and performance benchmarks across platforms.

Web Designer

Moldech | Lahore, Pakistan | October 2021 – June 2023

- Designed and developed visually appealing, user-friendly websites tailored to client brand identities and business goals.
- Collaborated with clients to gather requirements and translate them into functional, responsive web experiences.
- Delivered projects on time with a focus on UX, accessibility, and cross-browser compatibility.

Reconciliation Analyst

Fruit Fixer | Remote | July 2021 – May 2023

- Reconciled financial transactions and maintained accurate financial records for a smartphone retail business.
- Identified and resolved discrepancies in accounts, contributing to improved financial accuracy and operational efficiency.

Web Developer

LetUsDevelop | Haripur, Pakistan | October 2020 – October 2021

- Built and maintained client websites using HTML, CSS, and WordPress, meeting specific technical and design requirements.
- Worked with modern web technologies to deliver responsive, high-quality digital experiences.

EDUCATION

Bachelor of Science in Computer Science

University of Haripur | Haripur, Pakistan | October 2016 – October 2020
